24-Hour Errergencies / State-of-the-ort facilities / Convenient appointments / Most insurance plans accepted and filed for you / Major credit cards accepted.

CANCELLATION & MISSED APPOINTMENT POLICY

Appointments are made in order to see our patients as efficiently as possible. "No-Shows" And "Late Cancellations" cause problems that go beyond a financial impact on our practice. When an appointment is missed, that available time is lost for another patient.

To "No-Show" means that one has missed a scheduled appointment or procedure.

A "Late Cancellation" means that one has failed to call and cancel in advance within the time frames shown below:

NEW PATIENT CONSULTATIONS:

\$100 fee will be charged for each no show or late cancellation if notice is given less than 24 business hours.

OFFICE VISIT:

\$50 fee will be charged for each no show or late cancellation, if notice is given less than 24 business hours.

PROCEDURE:

\$100 fee will be charged for each no show or late cancellation if notice is given less than 24 business hours.

Business hours are Monday through Thursday between 8:00 am and 4:00 pm.

charge to be entirely the pat	ient's responsibility.
